Bloxham BAPTIST CHURCH

loving Jesus loving people

Welcome

"Being followers of Jesus does not mean that we have got life sorted and know all the answers. But it does mean that we have found a dimension to life in knowing God that is worth sharing. Our aim as a church family is to help others know how good God is and to allow God's influence to bring transformation to our lives. He really does rescue us from so much that hurts us in life and wants to give us fulfilment, hope and joy. God is always for us, and so we learn to be there for each other on life's journey – for us to be here for you is a real privilege."
